

CLASSICS AT THE ARC 2010

ACRA will run a competition in support of the ARC in 2010 to showcase the very best Classic Rally Cars.

Our Australian Rally Championship has a rich 40-year heritage and many cars and drivers that made the modern competition exciting today, can now compete in the prestigious ARC.

A Special Invitation

ACRA wants to ensure only the very best classic rally cars are showcased in the ARC. Not all members cars are suitable nor are eligible under the CAMS Classic Rally Car regulations

ACRA would like to invite you with your car to compete at the selected ARC events.

Outline Of Competition

- Eligibility: Pre 1982 Classic Rally car – CAMS Classic Car regulations – Log booked
- Scrutiny: Local scrutiny with all apparel: There will be separate documentation
- Pace Notes: Optional and recommended, but you can Recce on Friday and use them if you wish
- Media: A “sandwich” type board outlining the car and crews motor sport history, with your cars details on one side and the models history on the other, including any ARC wins. Posters of the car as giveaways to spectators are highly desirable.
